

REMARKS

Applicant would like to thank the Examiner for the careful consideration given the present application. The application has been carefully reviewed in light of the Office action, and amended as necessary to more clearly and particularly describe the subject matter which applicant regards as the invention.

Claims 6-9 stand rejected under 35 USC 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter. Claim 6 has been amended to remove the phrase "of the housing" as suggested by the Examiner. It is believed that this amendment removes the grounds for this rejection and notice to that effect is hereby requested.

Applicant notes with thanks that the Examiner has indicated that claims 4, 5, 10, 13, and 14 contain allowable subject matter and would be allowable if rewritten in independent form. Accordingly, claim 1 has been amended to include the features of now canceled claims 2 and 4. It is offered that claim 1, and claims 3, and 6-14 that depend therefrom, are allowable over the cited references as suggested by the Examiner.

In light of the foregoing, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 18-0160, our Order No. SHM-16878.

Respectfully submitted,
